

### **Burnet Institute Board Appointment: Henry Lanzer**

Arnold Bloch Leibler's managing partner, Henry Lanzer, was appointed to the board of the Burnet Institute in December 2008. Henry joined the board of the Burnet Institute along with Dr Alan Finkel and former Senator, Natasha Stott Despoja.

The Burnet Institute is one of Australia's leading medical research and public health institutes, which focuses on reducing the impact of infectious diseases. The Institute runs public health programs in collaboration with local, regional and national governments, international development and non-government organisations, and other medical research and public health groups.

Henry has been a member of the Development Committee of the Burnet Institute for a number of years and Arnold Bloch Leibler assists the Burnet Institute's fundraising efforts through the sponsorship of, and provision of pro bono legal services to, the Burnet Institute's friend and fund raising ROMP initiative.
